TOP SELLING FEATURES OF THE HESTAN OUTDOOR GRILL

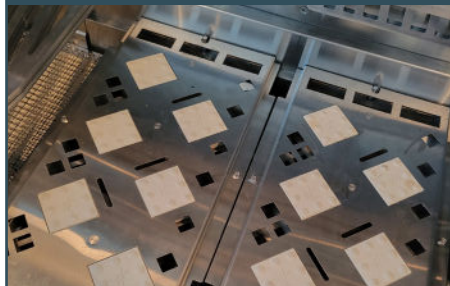

MADE IN USA

All grills are proudly designed, engineered and manufactured in Anaheim, California.

CERAMIC BRIQUETTES

Patented flip-to-clean radiant tray with monogrammed ceramic briquettes generates smoky flavor from drippings.

CHARCOAL TRAY

This accessory offers the best of both grilling world- easily lighting lump coal, briquettes or wood chips.

HORIZON HOOD

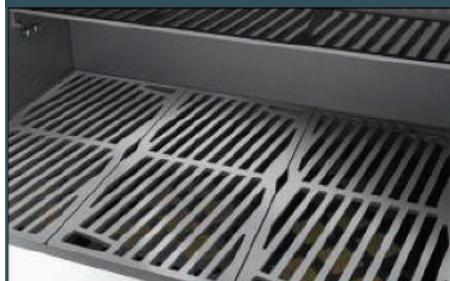

Spring assisted hinge system allows hood to easily open and will hold at any desired height. Motion-activated Halogen Stadium Lights™.

INFRARED TOP BURNER

The infrared burner delivers 12,000 - 18,000 BTU's, located on the top wall, allowing you to expand the functions to serve as a warming tray, broil-zone or salamander.

DIAMOND CUT GRATES

Flippable ultra heavy-duty 5/16" stainless steel lasered grates create a superior grilling surface with even heat distribution.

TRELLIS BURNER

The patented Trellis Burner™ delivers 25,000 BTU's of power with greater heat coverage and precision control.

SURE SPARK IGNITION

One-push automatic ignition system fires up grill with a single click.
