

# Why U-Line 5 CLASS?

What sets U-line 5 Class, STAINLESS STEEL INSIDE AND OUT, apart from the rest of the industry.

## THE DIFFERENCE IS IN THE DETAILS:

- **Industry Exclusive:** Full-depth lower interior maximizes storage options (patent pending)
- **Industry Leading:** Variable speed compressor delivers maximum energy efficiency, faster temperature response and quieter operation
- Stainless steel interior, cabinet & toe kick
- Soft close door with articulating hinge
- U-Adjust™ interior: 19 adjustable positions
- Adjustable LED lighting, choose bright white, bold blue, or a combination of both.
- Convection cooling system provides a quick cool down with consistent temperature.
- Removable, full-extension Slide & Secure Bins™ and wine racks (prevents tips and spills).
- Temperature range: 33°F - 70°F
- Digital touch pad control with blue LED
- Available in integrated frame & integrated solid models
- Available in 15", 18"(industry exclusive) & 24"
