CRESCENT ICE

UHCR115
No Drain Required

1 Class

- 15" SS P B W
- White interior
- No lighting
- Pivot hinge
- Crescent shaped cubes
- Produces 25 lbs. of ice per day
- Stores up to 25 lbs. of ice
- Manual defrost is required

*Outdoor Models available

CLEAR ICE

UHCL115 No Pump U-3018CLR-00 No Pump
UHCP115 with Pump U-3018CLR-40 with Pump

1 Class

3000 Series

- 15" SS P B W
- White interior
- LED lighting
- Pivot hinge
- U-Choose™ feature offers multiple levels of ice fullness
- Produces 55 lbs. of ice per day
- Stores up to 25 lbs. of ice
- Easy clean process only lasts 45 minutes
- Silent mode
- 18" SS P
- Black interior
- LED lighting
- Articulating hinge and seamless integrated toe kick
- Brightshield™ LED Antimicrobial Lighting - Available on Following Models:
UHCP115-IS81A , UHCP115-SS81A

*15" ADA & outdoor model available

NUGGET ICE

URNP115 with Pump

1 Class

- 15" P
- White interior
- LED lighting
- Soft close articulating hinge
- Produces 65 lbs. of ice per day
- Stores up to 27 lbs. of ice
- Easiest nugget ice machine cleaning process in the industry - 20 minutes
- UV light activated when door is closed

*Outdoor models available

CRAFT CLEAR ICE

URCC115-SS81A with Pump
URCC115-IS81A with Pump

1 Class

- 15" SS P
- Black interior
- LED lighting
- Soft close articulating hinge
- High production of 160 cubes per day
- Stores up to 80 cubes
- Easy clean process only lasts 45 minutes
- Brightshield™ LED Antimicrobial Lighting

2 year warranty when you register within 60 days, 5 year sealed system parts

Ice Maker - requires water line-in and no drain
Ice Machine - requires water line-in and drain

CRESCENT ICE

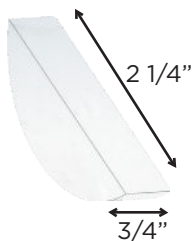

Long lasting, durable ice in a unique shape to keep things cold

UNIQUE SHAPE

- U-Line crescent ice cubes are half moon shaped which allows them to create exceptional liquid displacement because they do not pack together in a glass

LONG LASTING

- Crescent ice cubes are hard and long lasting
- Beverages are not diluted quickly

Approximate Cube Size:
1/2"W x 3/4"H x 2 1/4"L

CLEAR ICE

Restaurant quality ice in the comfort of your home to keep drinks cold

PURITY

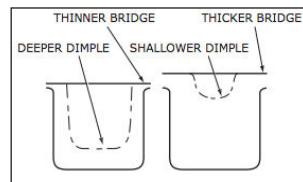

- U-Line technology removes air bubbles and impurities so contaminants do not freeze in the cubes

TASTELESS

- Clear ice is most commonly used in restaurants because it is tasteless
- Ice that is tasteless does not detract from the flavor of the beverage it is in

ICE ADJUSTMENT

- Industry exclusive U-Choose™ feature offers multiple levels of ice fullness (deeper dimple to shallower dimple)

Multiple Levels of Ice Fullness

Approximate Cube Size:
7/8"W x 7/8"H x 7/8"L

NUGGET ICE

High-quality, versatile ice to suit every taste

TEXTURE

- It's soft and chewy: it's the most satisfying and easy to chew type of ice
- Stays intact longer than crushed ice, getting softer over time, but not melting as quickly as crushed ice

ADVANCED COOLING

- Rapid cooling of beverage
- Absorbs the flavor of the beverage

Approximate Cube Size:
1/2"L x 3/8"H x 5/8"W

CRAFT ICE

Premium, crystal-clear cubes designed for optimal chill with minimal dilution.

PURITY

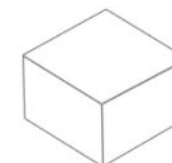

- Crystal-clear cubes ensure no flavor alteration, offering an unadulterated taste of your favorite spirits.

LONGEVITY

- Designed to melt slowly, these large cubes dilute drinks minimally, extending the enjoyment of your beverage.

AESTHETIC

- Each cube's precise cut enhances the visual appeal of cocktails, making every drink a statement piece.

Approximate Cube Size:
1 7/8" L x 1 7/8" W x 1 1/4" H
