Hestan is part of the Meyer culinary family. Meyer Corporation is the largest cookware supplier in the U.S. and the second largest cookware manufacturer operation in the world. Through over 125 branded and private label cookware lines, Meyer has led the industry with quality and innovation - including the first dishwasher-safe hard-anodized nonstick cookware.

Everyone at Meyer takes personal pride in creating the highest quality culinary products possible. The culinary world is the heart of our company culture. CEO Stanley Cheng created Hestan Vineyards in Napa Valley to pursue his passion for perfection in wine - thus a worthy namesake for Meyer's premier commercial kitchen line.

WARRANTY

OUTDOOR GAS PRODUCT LIMITED WARRANTY

WHAT THIS LIMITED WARRANTY COVERS

Hestan Commercial Corporation (“HCC”) warrants to the original consumer purchaser of a Hestan outdoor gas product (the “Product”) from an HCC authorized dealer that the Product is free from defective materials or workmanship for a period of one (1) year from the date of original retail purchase or closing date for new construction, whichever period is longer (“Limited Warranty Period”). HCC agrees to repair or replace, at HCC’s sole option, any part or component of the Product that fails due to defective materials or workmanship during the Limited Warranty Period. This Limited Warranty is not transferable and does not extend to anyone beyond the original consumer purchaser (“Purchaser”). This Limited Warranty is valid only on Products purchased and received from an HCC authorized dealer in the fifty United States, the District of Columbia and Canada. This Limited Warranty applies only to Products in non-commercial use and does not extend to Products used in commercial applications.

HOW TO OBTAIN WARRANTY SERVICE

If the Product fails during the Limited Warranty Period for reasons covered by this Limited Warranty, the Purchaser must immediately contact the dealer from whom the Product was purchased or HCC at 888.905.7463.

Purchaser is responsible for making the Product reasonably accessible for service or for paying the cost to make the Product reasonably accessible for service. Service is to be provided during normal business hours of the authorized Hestan Commercial Service Provider. To the extent Purchaser requests service outside of the normal business hours of the authorized Hestan Commercial Service Provider, Purchaser will pay the difference between regular rates and overtime or premium rates. Purchaser is required to pay all travel costs for travel beyond 50 miles (one way) from the nearest authorized Hestan Commercial Service Provider.

EXTENSIONS TO ONE YEAR LIMITED WARRANTY PERIOD:

In addition to the One-Year Limited Warranty, the following components have extended warranty coverage as specifically set forth below:

1. The Product’s stainless steel grill body, DiamondCut cooking grates and warming rack, stainless Trellis grill burners, Sear burners and rotisserie infrared burner (where applicable) are warranted to be free from defects in material and workmanship under normal non-commercial use and service for the lifetime of the original Purchaser. This excludes surface corrosion, scratches, and discoloration which may occur during normal use and is limited to replacement of the defective part(s), with the Purchaser paying all other costs, including labor, shipping and handling, as applicable.
2. The Product’s spit rod, briquette trays, manifolds, gas valves and sealed burner assemblies (where applicable) are warranted to be free from defects in material and workmanship, under normal non-commercial use and service, for a period of five (5) years from the original date of purchase; This is limited to replacement of the defective parts, with the Purchaser paying all other costs, including labor, shipping, and handling, as applicable.

WARRANTY

WHAT THIS LIMITED WARRANTY DOES NOT COVER:

This Limited Warranty does not cover and HCC will not be responsible for and will not pay for: damage to or defects in any Product not purchased from an HCC authorized dealer; color variations in color finishes or other cosmetic damage; failure or damage from abuse, misuse, accident, fire, natural disaster, commercial use of the Product, or loss of electrical power or gas supply to the Product; damage from alteration, improper installation, or improper operation of the Product; damage from improper or unauthorized repair or replacement of any part or component of the Product; damage from service by someone other than an authorized agent or representative of the Hestan Commercial Service Network; normal wear and tear; damage from exposure of the Product to a corrosive atmosphere containing chlorine, fluorine, or any other damaging chemicals; damage resulting from the failure to provide normal care and maintenance to the Product; damage HCC was not notified of within the Limited Warranty Period; and incidental and consequential damages caused by any defective material or workmanship.

ARBITRATION:

This Limited Warranty is governed by the Federal Arbitration Act. Any dispute between Purchaser and HCC regarding or related to the Product or to this Limited Warranty shall be resolved by binding arbitration only on an individual basis with Purchaser. Arbitration will be conducted by the American Arbitration Association (“AAA”) in accordance with its Consumer Arbitration Rules or by JAMS. The arbitration hearing shall be before one arbitrator appointed by the AAA or JAMS. The arbitrator shall not conduct class arbitration and Purchaser shall not bring any claims against HCC in a representative capacity on behalf of others.

LIMITATION OF LIABILITY:

This Limited Warranty is the final, complete and exclusive agreement between HCC and Purchaser regarding the Product.

THERE ARE NO EXPRESS WARRANTIES OTHER THAN THOSE LISTED AND DESCRIBED ABOVE. NO WARRANTIES WHETHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE SHALL APPLY AFTER THE LIMITED WARRANTY PERIOD STATED ABOVE. NO OTHER EXPRESS WARRANTY OR GUARANTY GIVEN BY ANY PERSON, FIRM OR CORPORATION WITH RESPECT TO THIS PRODUCT SHALL BE BINDING ON HCC. HCC ASSUMES NO RESPONSIBILITY THAT THE PRODUCT WILL BE FIT FOR ANY PARTICULAR PURPOSE, EXCEPT AS OTHERWISE PROVIDED BY APPLICABLE LAW.

HCC SHALL NOT BE LIABLE FOR LOSS OF REVENUE OR PROFITS, FAILURE TO REALIZE SAVINGS OR OTHER BENEFITS, OR ANY OTHER SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES CAUSED BY THE USE, MISUSE OR INABILITY TO USE THE PRODUCT, REGARDLESS OF THE LEGAL THEORY ON WHICH THE CLAIM IS BASED, AND EVEN IF HCC HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. NO RECOVERY OF ANY KIND AGAINST HCC SHALL BE GREATER IN AMOUNT THAN THE PURCHASE PRICE OF THE PRODUCT.

WITHOUT LIMITING THE FOREGOING, YOU ASSUME ALL RISK AND LIABILITY FOR LOSS, DAMAGE OR INJURY TO YOU AND YOUR PROPERTY AND TO OTHERS AND THEIR PROPERTY ARISING OUT OF THE USE, MISUSE OR INABILITY TO USE THE PRODUCT NOT CAUSED DIRECTLY BY THE NEGLIGENCE OF HCC. THIS LIMITED WARRANTY STATES YOUR EXCLUSIVE REMEDY.

WARRANTY

No oral or written representation or commitment given by anyone, including but not limited to, an employee, representative or agent of HCC will create a warranty or in any way increase the scope of this express Limited One Year Warranty. If there is any inconsistency between this Limited Warranty and any other agreement or statement included with or relating to the Product, this Limited Warranty shall govern. If any provision of this Limited Warranty is found invalid or unenforceable, it shall be deemed modified to the minimum extent necessary to make it enforceable and the remainder of the Limited Warranty shall remain valid and enforceable according to its terms.

INTERACTION OF LAWS WITH THIS LIMITED WARRANTY:

Some states, provinces or territories may not allow limitations on how long an implied warranty lasts or the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you. Some states, provinces or territories may provide for additional warranty rights and remedies, and the provisions contained in this Limited Warranty are not intended to limit, modify, take away from, disclaim or exclude any mandatory warranty requirements provided by states, provinces or territories, including certain implied warranties. This warranty gives you specific legal rights, and you may also have other rights which vary depending on location.

Any questions about this Limited Warranty may be directed to Hestan Commercial Products at (888) 905-7463.

BUILT-IN GRILLS

- Available in 30", 36", and 42" widths
- Horizon™ hood with spring-assisted hinges to hold at desired heights
- Motion activated Stadium™ halogen under-hood lighting
- Multi-purpose built-in ceramic infrared rotisserie/searing/finishing burner from 12,500 to 18,000 BTU/hour (depending on models) with simple touch on function
- High performance 321SS Trellis™ tubular burner at 25,000 BTU/hour each
- 5/16" thick DiamondCut™ lasered in-house stainless steel grate
- All finishes are powder coated on high-grade stainless steel to withstand the elements
- Standard stainless steel on all grills

PIZZA OVEN

- Achieve optimal cooking temperatures quickly with industry-leading efficiency and a compact footprint.
- Heavy gauge stainless steel exterior and interior double walled body construction.
- Heavy duty 3/4" thick ceramic cooking hearth stone designed to achieve optimum heat retention, quick cooking times, and fast turnover between pizzas. The total cooking hearth stone surface area is 23-5/8" W x 19" D (449 sq in) to accommodate both shareable and personal-sized pizzas.
- Raised dome-shape top interior creates recirculation of convective heat to optimize even heat distribution, maximum heat efficiency for cooking, and optimize heat retention. This is combined with the ceramic cooking hearth stone to achieve a crisp base and charred artisan crust.
- Heavy duty industrial-grade insulation completely encapsulates the double walled oven for optimum heat retention, cooking efficiency, and cooling of exterior surfaces
- Can be installed as a countertop unit to complement a full outdoor kitchen, or built into a non-combustible structure. See installation manual for more details.
- Internal baffle design for optimum flue / venting of heat while keeping smoke and heat away from the oven front opening.

OUTDOOR HOODS

GVP42

GVP48

GVP54

FEATURES

- Unique CircuFlow Ventilation System™ with centrifugal blower design prevents grease and contaminants from collecting in duct work for safe operation.
- Appropriate CFM specifications to perfectly match any Hestan grill for optimized fume and grease extraction.
- Baffle-less, variable speed blower CircuFlow Ventilation System™ collects 70% more grease than most competing models.
- Ultra-quiet CircuFlow Ventilation System™ provides best-in-class air flow and extraction efficiency.
