INDUCTION RANGES

KRI304-BK-1

FEATURES

- Powerful, energy-efficient induction burners only heat up cooking surface area under cookware.
- Precision temperature control delivers consistent cooking results.
- Industry exclusive Marquise Accented™ glass cooking surface presents an authentic visual connection to the Hestan design integrity.
- Low simmer allows for gentle cooking for even the most delicate of sauces.
- Cookware detection system safely shuts off induction burners when cookware is removed. When cookware is returned, original temperature setting is reestablished.
- Locking feature provides additional safety and peace of mind.
- 2 Timer functions allow for an independent timer or a timer for each individual cooking zone from 1 to 59 minutes.
- Automatic Power Boost heating function allows for elements to heat up more quickly to the desired heat setting.

Model	Description	Finish	UMRP
KRI30-BK-1	Range, 4 Burner, Induction, Black Top, 30"	SS	\$9,100
		Color	\$11,600

For custom color options please visit [Sherwin Williams website](https://www.sherwinwilliams.com) within hestanappliances.com.

When ordering a custom color finish, the Sherwin Williams RAL number and color name must be included on purchase order.

Custom color orders are special order items that cannot be cancelled or returned.

Estimated lead time for custom color orders: 8 to 12 weeks.

INDUCTION RANGES

KRI36-BK-1

FEATURES

- Powerful, energy-efficient induction burners only heat up cooking surface area under cookware.
- Precision temperature control delivers consistent cooking results.
- Industry exclusive Marquise Accented™ glass cooking surface presents an authentic visual connection to the Hestan design integrity.
- Low simmer allows for gentle cooking for even the most delicate of sauces.
- Cookware detection system safely shuts off induction burners when cookware is removed. When cookware is returned, original temperature setting is reestablished.

When ordering a custom color finish, the Sherwin Williams RAL number and color name must be included on purchase order.

Custom color orders are special order items that cannot be cancelled or returned.

Estimated lead time for custom color orders: 8 to 12 weeks.

GAS RANGES

KRG304-NG-1

FEATURES

- Patent-pending heavy-duty cast-iron grates provide a continuous uninterrupted and maximized cooking surface for best in class coverage. In combination with brass sealed burner and burner bowl, designed to optimize combustion efficiency to produce top cooking performance, including the fastest time-to-boil.
- High-performance dual-flow burner system allows for significant turndown capability from high BTU performance (23,000 BTUs front burners) to low continuous simmer (500 BTUs all burners).
- Exclusive raised pattern burner cap design is easy to remove and clean.
- Robust electronic ignition/reignition system provides safe, quick and proper gas ignition. Igniter will continue to spark until the burner flame is established, and re-ignite in the case of flame blow out.
- Exclusive PureVection™ technology, electronically controls multiple heating convection systems, to optimize baking, broiling, roasting and convection baking. Achieved by alternating and adjusting the levels of heat and air circulation needed to produce the best result.

Model	Description	Finish	UMRP
KRG304-NG-1	Range, 4 Burner, Gas, 30"	SS	\$7,200
		Color	\$9,700

For custom color options please visit [Sherwin Williams website](https://www.sherwinwilliams.com) within hestanappliances.com.

When ordering a custom color finish, the Sherwin Williams RAL number and color name must be included on purchase order.

Custom color orders are special order items that cannot be cancelled or returned.

Estimated lead time for custom color orders: 8 to 12 weeks.

DUAL FUEL RANGES

KRD365-NG-1

FEATURES

- Patent-pending CircuFlame™ sealed center power burner delivers 30,000 BTUs and the fastest boil time. The most powerful residential burner available.
- Simmer flame precision setting maintains a continuous gentle flame as low as 500 BTUs – perfect for delicate sauces.
- Patent-pending MarquiseDisplay™ delivers a chef-friendly digital display elegantly embedded in the oven handle, and Backlit Knobs.
- Nine high-performance oven modes: True Convection, Bake, Convection Bake, Roast, Convection Roast, Broil, Convection Broil, Proof and Self Clean and Standard Meat Probe.
- Soft-close oven door eliminates soufflé-crashing slams and ensures that the door closes fully to secure heat inside with counterbalanced assisted closing.
- Three full-extension, telescopic professional oven racks with six-position rack supports glide easily and offer convenient access.
- Backlit patent-pending knobs enhance both visibility and style.

Model	Description	Finish	UMRP
KRD365-NG-1	Range, 5 Burner, Dual Fuel, 36"	SS	\$13,500
